

I Been Thinkin' Bout You

Lyrics by John H. Chilson, Music by Vi Wickam

I been thinkin' 'bout you
I been thinkin' 'bout you
All I know's wherever I go
And no matter what I do
I been thinkin' 'bout you
I been thinkin' 'bout you
All I know's wherever I go
I been thinkin' 'bout you

You just rest on my mind
And it seems I can't find
Anything I can do
to get away from you

I used to be free
To just think about me
I used to be proud
That my head never bowed

I was always the kind
To keep me on my mind
Now look what you do
Got me thinkin' 'bout you

Got me thinkin' 'bout you
Got me thinkin' 'bout you
And you know wherever I go
And no matter what I do
Got me thinkin' 'bout you

Got me thinkin' 'bout you
And you know wherever I go
Got me thinkin' 'bout you
And you know wherever I go
Got me thinkin' 'bout you.
